Sir:

This is an Amendment under 37 C.F.R. § 1.312 after the Notice of Allowance mailed November 28, 2006, and prior to payment of the issue fee. Applicant files this Amendment After Allowance under Rule 312 for purposes of clarification and correction of errors in the Examiner's Amendment which are needed for the proper protection of the invention and which require no substantial amount of additional work of the part of the Office. As indicated above by the Certificate of Transmission under 37 C.F.R. § 1.8, this Amendment is being timely filed. No fees are required, however, should there be any fee deficiencies, the Commissioner is authorized to charge any additional fees which may be required to Andrews Kurth, Deposit Account No. 50-0897(FLU002NP/159803). Consideration of this Amendment is respectfully requested.

Applicant authorized the Examiner to amend claims 1, 25 and 28 and to cancel claims 3, 6-11 and 21-23 without prejudice via an Examiner's Amendment on November 20, 2006. The Examiner made the authorized claim amendments but opted to re-write "amended" claim 1 as new claim 37 and cancel claim 1, which necessitated amending the dependency of claim 4 from claim 1 to claim 37.

Amendments to the Claims begin on page 3 of this paper. The listing of claims includes the claims as pending (and allowed) following the Examiner's Amendment.

Remarks begin on page 8 of this paper.
